

Agents - Focusun Ice Machine

Welcome to join Focusun

Focusun has been aiming to develop and expand our market on this blue lovely planet for years. Advanced ice making technology, high quality products and excellent customer service are what we are proud of and why we are leading refrigeration industry around the world.

For years, we have been providing the most human-oriented services to worldwide clients. Focusun Technology has been regarded as the most reliable supplier in China by our clients from world-renowned supermarkets and chain stores, fish cooling industry, healthcare centers, man-made skiing resorts, mining, and concrete cooling projects in Europe, North America, and Middle East.

We sincerely invite strong and faithful agents everywhere in the world to join us if you identify with our value and culture, trust in our product and technology. It is our best wish that you and we will hand in hand provide the most excellent products and services for every customer around the world.

Focusun believes lasting partnership exists in win-win situation. We offer every valuable opportunity and warmly welcome you to be our agents or distributors in your area. If you are sincere as us and willing to join us, please contact us as soon as possible by sending mails to agent@focusun.com, or dial our service line: +86-21-5108 9946 to get in touch with our marketing department timely. We are always looking forward to cooperating with you.
